Endorsed Mailing Program

Non-profit & charitable organizations

This Endorsed Mailing program from Specialty Promotions is our way of giving back to the community while at the same time creating a win-win scenario for you and your partners. By simply providing us with your mailing list, letterhead and envelopes, you are able to send a thank-you gift, valued at \$50, to your partners at no cost to you. In return, you will receive a donation to your organization as a percentage of the sales generated from this mailing.

Program Description

Specialty Promotions will provide a \$50 gift certificate redeemable for products and services that we offer. The gift certificate will be mailed, postage free, to your partners, along with a letter approved by you, stating your appreciation of their support. Specialty Promotions will then donate 10% of each sale when the gift certificates are redeemed

What you do

You simply supply us letterhead, envelopes, and a mailing list and then approve our letter prior to mailing.

What we do

We draft a letter from you to your partners, print it on your letterhead and then mail it along with a gift certificate redeemable for our products as a way of saying thank-you from your organization.

You win!

Your organization receives additional revenue without additional effort or expense as well as goodwill from you to your partners.

Your partner wins!

Your partner receives a \$50 discount for goods that they would normally purchase anyway.

We win!

We get the chance to help someone else with their marketing efforts.
