Endorsed Mailing Program

Professional Service Organization

This Endorsed Mailing program from Specialty Promotions is our way of adding value with our trusted partners while at the same time creating a **win-win scenario for you and your clients**.

By simply providing us with your mailing list, letterhead and envelopes, you are able to send a thank-you gift, valued at \$50, to your clients at no cost to you.

PROGRAM DESCRIPTION

Specialty Promotions will provide \$50 in gift certificates that are redeemable for products or services that we offer. The gift certificate will be mailed, postage free for you, to your clients, along with a letter approved by you, stating your appreciation of their continued support. Specialty Promotions will then apply the discount to our invoice when the gift certificates are redeemed.

WHAT YOU DO?

You simply supply us letterhead, envelopes, and a mailing list and then approve our letter prior to us mailing to your clients.

WHAT WE DO?

We draft a letter from you to your clients, print it on your letterhead and then mail it along with a gift certificate redeemable for our products or services as a way for you to say thank-you to your clients.

YOU WIN!

Your organization receives additional exposure and goodwill with your clients without effort or expense.

YOUR CLIENT WINS!

Your client receives a \$50 in gift certificates for goods that they would most likely purchase anyway.

WE WIN!

We get the chance to help someone else stand out from the crowd.

**It's a...
Win – Win – Win!**
